

**BRICKFORM® FREESTYLE SOLID-COLOR STAIN™**

BRICKFORM® Freestyle Solid-ColorStain™ is a new, revolutionary line of concrete stains that penetrate and bond with concrete surfaces in a way no other coloring product can. This water-based, opaque stain is excellent for restoring, changing colors on previously colored surfaces, or rejuvenating old, discolored concrete. BRICKFORM® Freestyle® allows you to create totally new color styles for your decorative work in an environmentally sound, versatile and user-friendly way.
