

## Aztec Calendar aka Aztec Sun Stone

42" diameter stamp

If you are looking for a terrific specialty stamp, consider the **Aztec Calendar aka Aztec Sun Stone**. This unique stamp produces ages-old stone carved artwork sure to draw attention and interest. The 42" diameter stamp is ideally used with any variety of seamless texture skins or, with some pre-planning, looks great with Ashlar Slate, Flagstone, and Cobblestone patterns. Set it off with custom staining for an additional WOW-factor. Great for patios, pool decks, and driveway set-offs.
